Home Improvement

with 4-H Club Members

LIST OF STATE PUBLICATIONS ON HOME IMPROVEMENT WITH 4-H CLUB MEMBERS

This list of State Extension publications in the field of home improvement has been compiled so that you might know of the material that other States have available. The publications included are those listed by each State for use with young people enrolled in the 4-H Home Improvement Program. Materials prepared for adults are used in many States as resource materials for the 4-H Club project. We appreciate receiving copies of new material so that our files may be kept up to date.
